

Welcome to the scrip program. This is the easiest way to earn money towards fundraising because you can purchase gift cards to use on the things you are already buying.

How it works

You buy gift cards thru a shopwithscrip.com. Depending on the retailer there is a certain percentage they put towards the fundraising.

For example, if you regularly shop at CVS, buy a \$25 gift card to keep in your wallet. At a 4% return, which is paid to us by scrip program, \$1 will be donated towards our fundraising total. It may not seem like much but it really adds up over time. It just takes a little planning and some funds up front but makes it easy to hit our goals and more.

Gift cards can be purchased at numerous places in and around town and online retailers like:

CVS	Michaels	99 Restaurants	Best Buy	Target
Dunkin Donuts	Marshalls	Barnes & Noble	Cheesecake Factory	Walmart
Panera	Amazon	AMC Theaters	Whole Foods	Staples

There are hundreds of retailers available.

The **ScripNow** program allows your gift card to be emailed to you instead of waiting for the physical gift card. It is the same process as ordering the other cards but will get emailed to you within 24 hours of the order being submitted by the coordinator.

If you are planning on a big purchase and want a **ScripNow** card sooner contact the coordinator and they may be able to submit your order separately.

Payments

Shopwithscrip.com has a payment tool called PrestoPay. Each participant will be required to sign up for PrestoPay to pay for the orders. No checks or other payments will be accepted. Each order has a 15 cent convenience fee.

Schedule

Orders will be placed on the 15th of each month. An extra order on December 1st will be submitted for the Xmas rush. Orders typically take 4-7 business days to be received with some delays around the holidays.

Any questions, feel free to contact the coordinator- dk_umass@hotmail.com
